

Take more units, but

The Summer Session Office is offering an “8 only” financial incentive for Summer 2019. This means all MAT candidates will only need to pay for 8 units* for a *whole* summer of courses! This is equivalent to receiving a sizable scholarship:

MAT multiple subject (elementary) candidates take 22 units and only pay for 8. This is equivalent to a scholarship of \$4,914

MAT single subject (secondary) candidates take 18 units and only pay for 8. This is equivalent to a scholarship of \$3,510.

**As of 10/15/18 the posted cost per unit for graduate students was \$351. Visit <https://summer.uci.edu> for the most current information about summer graduate fees.*

Current information about fees for fall, winter and spring quarters can be found by searching “UCI Graduate Fees and Tuition” or going here: <https://www.reg.uci.edu/fees/2018-2019/graduate.html>
