

## STEM Learning Modules & Digital Resource Library

[www.oceanexplorationtrust.org/stem](http://www.oceanexplorationtrust.org/stem)

Create your own log-in for free full access to a suite of STEM activities, lessons, data sets, and training videos. Have any questions?

Email our team at [education@oet.org](mailto:education@oet.org)

Explore the Digital Resource Library to gain access to bite-sized resources like playlists, watch-guides, mini-lessons, animated videos, graphics, and fun activities.

## Expedition Photo Albums & Videos

[www.nautiluslive.org](http://www.nautiluslive.org)

Dive into current and past live expedition descriptions, photos of discoveries, and our favorite footage on our website. Don't miss the live feed during the exploration season!

## Exploration Tools and Technology

<http://nautiluslive.org/tech>

Learn about ROVs, equipment, and ship, E/V *Nautilus*, that help reveal mysteries in the deep sea providing scientists data they need for research on physical oceanography, geology, biology, chemistry, and archaeology.

## Join our Newsletter Mailing List

<http://www.nautiluslive.org>

Sign-up on the bottom of the homepage to hear from OET about new education resources, expedition announcements, and program updates.

## Exploration and Research Stories

<http://nautiluslive.org/blog>

Read interesting and unique perspectives from our Corps of Exploration on all things *Nautilus*, from behind the scenes on board to the untold stories of our many expeditions. Learn more about the many OET at-sea programs, the talented team needed to conduct modern exploration, and gain scientific insight on expeditions with these articles.

## STEM Career Pathways / Mentor Profiles

<http://nautiluslive.org/people>

Meet the Corps of Exploration and explore the diverse backgrounds, careers and education paths that brought them onto *Nautilus*. All featured mentors have sailed on a past or present expedition with OET.

## Social Media

Like us on Facebook @NautilusLive to see the latest news from our expeditions and the OET Team.

Follow @EVNautilus on Twitter for dive alerts and expedition updates. You're part of #NautilusNation; share your story using #HowDoYouNautilusLive.
